FREQUENTLY ASKED QUESTIONS

Q: How many guests do I need to bring to qualify for group discount ticket pricing?

A: You must have a minimum group size of 10 ticket purchasers to qualify for discounted mid-week lift tickets, valid Wednesday to Friday.

Q: Do I need to pay a deposit to reserve my booking date?

A: New for 2023-24, all of our visiting groups will be required to pay a deposit fee of \$150.00 to confirm and hold their booking date. This deposit can be paid by credit card or cheque, and will be applied to your lift ticket invoice at the end of your group's visit.

Q: Do I have to pay for all my estimated guest lift tickets requested at time of booking, or only the lift tickets used?

A: We understand that last minute circumstances may change your guest attendance levels, and your ticket needs may fluctuate on the day of your visit. We will only charge you for your lift tickets distributed and used, and require any unused tickets to be returned and reconciled. There is a 10% overage allowance on group ticket estimates, however to reduce unnecessary waste, if you have more than 10% of your pre-ordered lift tickets left unused, we will charge a \$1.50/ticket material fee for any unused lift tickets.

Q: What if I have guests that do not wish to ski or snowboard?

A: We do offer a non-lift use day pass that provides your non-skiing guests access to our snowshoe trail network and private clubhouse facilities.

Q: Can I reserve a specific room in the Clubhouse for my group?

A: Depending on the date, size, and specific needs of your group, we may be able to accommodate specific room requests. Our midweek group concierge will be able to confirm space allocations prior to your arrival. **New for 2023-24,** some of our larger, premium rooms require a minimum lift ticket guest count to reserve. Our midweek group concierge will be able to assist you with your group's custom needs and provide you with accurate pricing to help make your day a success.

Please note that our Members Only 19+ Heritage Lounge is not available to our midweek groups and is reserved exclusively for our members' use.
