Congratulations

ON YOUR ENGAGEMENT!

Say “I do” with Alpine’s modern clubhouse, offering sweeping views of the Escarpment and Georgian Bay - the perfect backdrop to your special day. The open-concept layout and variety of room layout options, including a stunning outdoor terrace, are suited for intimate celebrations or grand events. Your planning is further simplified with our in-house award-winning catering partner, Men with Knives.

ENVISION THE AMBIENCE

ASCOT HALL/FIRESIDE BAR

Alpine’s signature room, designed to impress guests the moment they enter, comprises the largest uninterrupted space in the clubhouse. Facing the Escarpment with direct access to the terrace, its vaulted ceilings and floor-to-ceiling windows provide an expansive view of the slopes.

HERITAGE LOUNGE

This luxurious space is characterized by its private bar, soft seating, shared fireplace, and fully windowed walls on three sides featuring views from the slopes to Georgian Bay.

GEORGIAN ROOM

Named for its commanding views of Georgian Bay, this space is most easily separated from the rest of the floor but maintains sightlines through a featured glass wall.

TERRACE

Step outdoors from the Ascot Hall or Fireside Bar to the south-facing terrace. This is the perfect picturesque location to mingle over cocktails with the warmth of the cozy gas fire pit or upgrade your ceremony space for an added outdoor experience.
