SKI CLUB

Have it all at

ALPINE

Alpine Ski Club offers a premier private club experience for families that enjoy an active winter lifestyle. Join the Club and immerse yourself in pristine skiing and snowboarding terrain, exceptional amenities, and a distinguished community of like-minded families.

Delivering a high-quality environment for members and guests is a top priority at the Club, one that protects the experience for safety and enjoyment. Capped attendance means the hills are less crowded, strong average skill levels make the hills safer, a culture of participation contributes to a rich social environment, and the nature of membership nurtures lifelong bonds and memories.

ALL IN ON FAMILY

BUILT BY FAMILIES, FOR FAMILIES.

In 1957, a group of young ski enthusiasts started a traveling ski club that would become known as The Alpine Ski Club of Toronto. The little club flourished, with those who had cars ferrying fellow members each winter weekend to the various hills around Ontario.

Within a few years, Alpine's founding members concluded that visiting others' ski hills had real limitations and that they needed a hill to call their own. By 1960 they had found and bought a big piece of the old Arrowhead Ranch on the Blue Mountain ridge, and they cut the first runs with their own hands over that summer and fall. Alpine Ski Club opened in the winter of 1960-61 with three runs and one rope tow.

Decades later, that same passion nurtured all those years ago by founding members has transcended generations and is woven into the fabric of Alpine's culture. Generations of Alpine members continue to come together to build enduring relationships and nurture memories centered upon a shared passion for a healthy active lifestyle. Our members prioritize diversity and inclusion, friends and family, down to earth values and safety at the forefront for everyone who visits the Club.

ALL IN

on WINTER
ADVENTURE

THE HILL

Alpine is situated on a sprawling 384 acres of unique terrain, with 120 groomed acres, 760 feet of elevation and 37 diverse runs, keeping skier density to a minimum and winter enjoyment to a maximum.

Alpine is proud to offer the most runs across all private ski clubs in Ontario. The pistes progress in difficulty lift by lift to suit every ability level, from first-time skiers and snowboarders to seasoned experts. With three unique faces carved into the Niagara Escarpment, the terrain is nothing short of a thrill to experience.

With three unique faces carved into the Niagara Escarpment, all with sweeping views of Georgian Bay, the terrain is nothing short of a thrill to experience. The protected beginner area is steps from the clubhouse, served by a Magic Carpet that permits independence for even the youngest athletes. Next up is the Arrowhead Chair, serving beginner and intermediate terrain, followed by the high-speed six-person Summit Chair with intermediate to difficult runs.

A quick skate over to the North side's Millennium Chair showcases the diversity in Alpine's terrain. From here, choose intermediate or more difficult runs, or head over to the Club's terrain park and Ontario's last remaining competition-size halfpipe. If you're looking for a greater thrill, head to our adrenaline-inducing terrain via the Steeps Chair with its five extreme double black diamond runs.

For even greater variety, embark on a snowshoe or hike year round across Alpine's extensive network of trails built and maintained by members, spanning across the entire property and connecting with the renowned Bruce Trail.

Regardless of your chosen activity or ability level, Alpine has something for every winter sports enthusiast.

THE SNOW

Investing in snowmaking has been a priority for the Alpine membership, keeping the Club competitive and extending time on snow. In recent years, the Club has upgraded the infrastructure to focus on higher efficiency snow guns capable of producing snow in warmer temperatures and continues its focus on maximizing winter operations.

Renowned for its excellent grooming, Alpine provides members with impeccably maintained runs and an exceptional skiing and riding experience.

ALL IN ON PROGRAMS

The spirit of adventure at Alpine has nurtured a wealth of on-hill programs for skiers, snowboarders, and freestyle athletes, both recreational and competitive, for children and adults. Starting at age three, on-hill programs help children develop the confidence, the social connections and the health benefits of an active lifestyle.

The Club offers a comprehensive variety of programs led by over 180 certified instructors and coaches, many of whom hold internationally-recognized certifications at the highest levels in their disciplines. Instruction is available for every level of interest, skill, and experience.

Proud to have developed provincial, national, and Olympic athletes, Alpine offers the ideal training environment to support all athlete aspirations across a wide range of disciplines.

RECREATIONAL & PRIVATE LESSONS

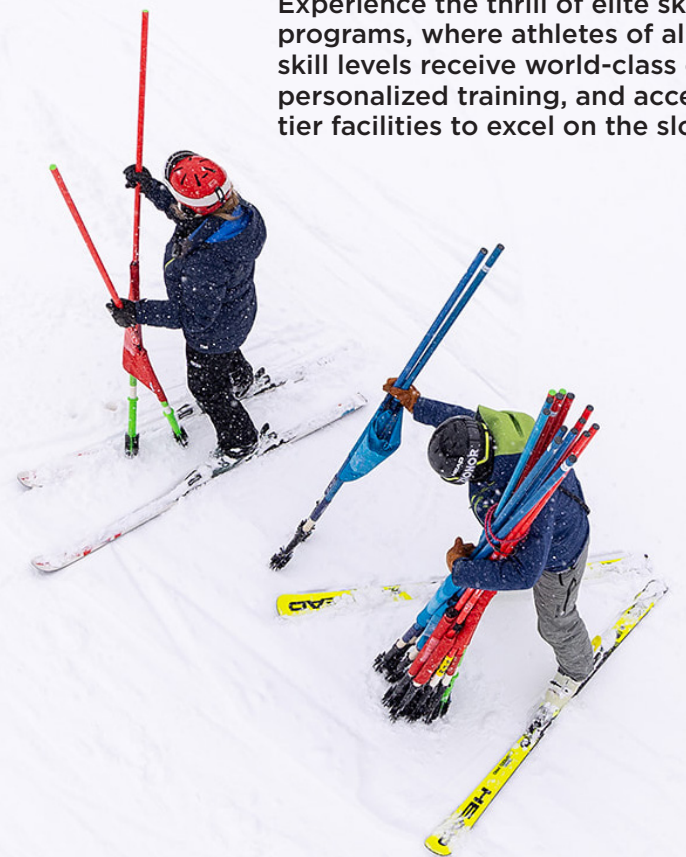

Alpine fosters an ideal environment for the entire family regardless of age, ability level, choice of equipment, and competitive inclination.

For a more personalized experience, private and semi-private lessons offer an excellent opportunity to personalize to your desired outcome.

RACING

Experience the thrill of elite ski racing programs, where athletes of all ages and skill levels receive world-class coaching, personalized training, and access to top-tier facilities to excel on the slopes.

SNOWBOARD

Push your limits with Alpine's comprehensive snowboard programs, ranging from Alpine and Freestyle disciplines, with expert coaching and state-of-the-art facilities including the province's last remaining competition-size halfpipe.

FREESKI

Alpine's dynamic freeski programs offer expert instruction, cutting-edge terrain parks, and a supportive community for all levels.

ALL IN

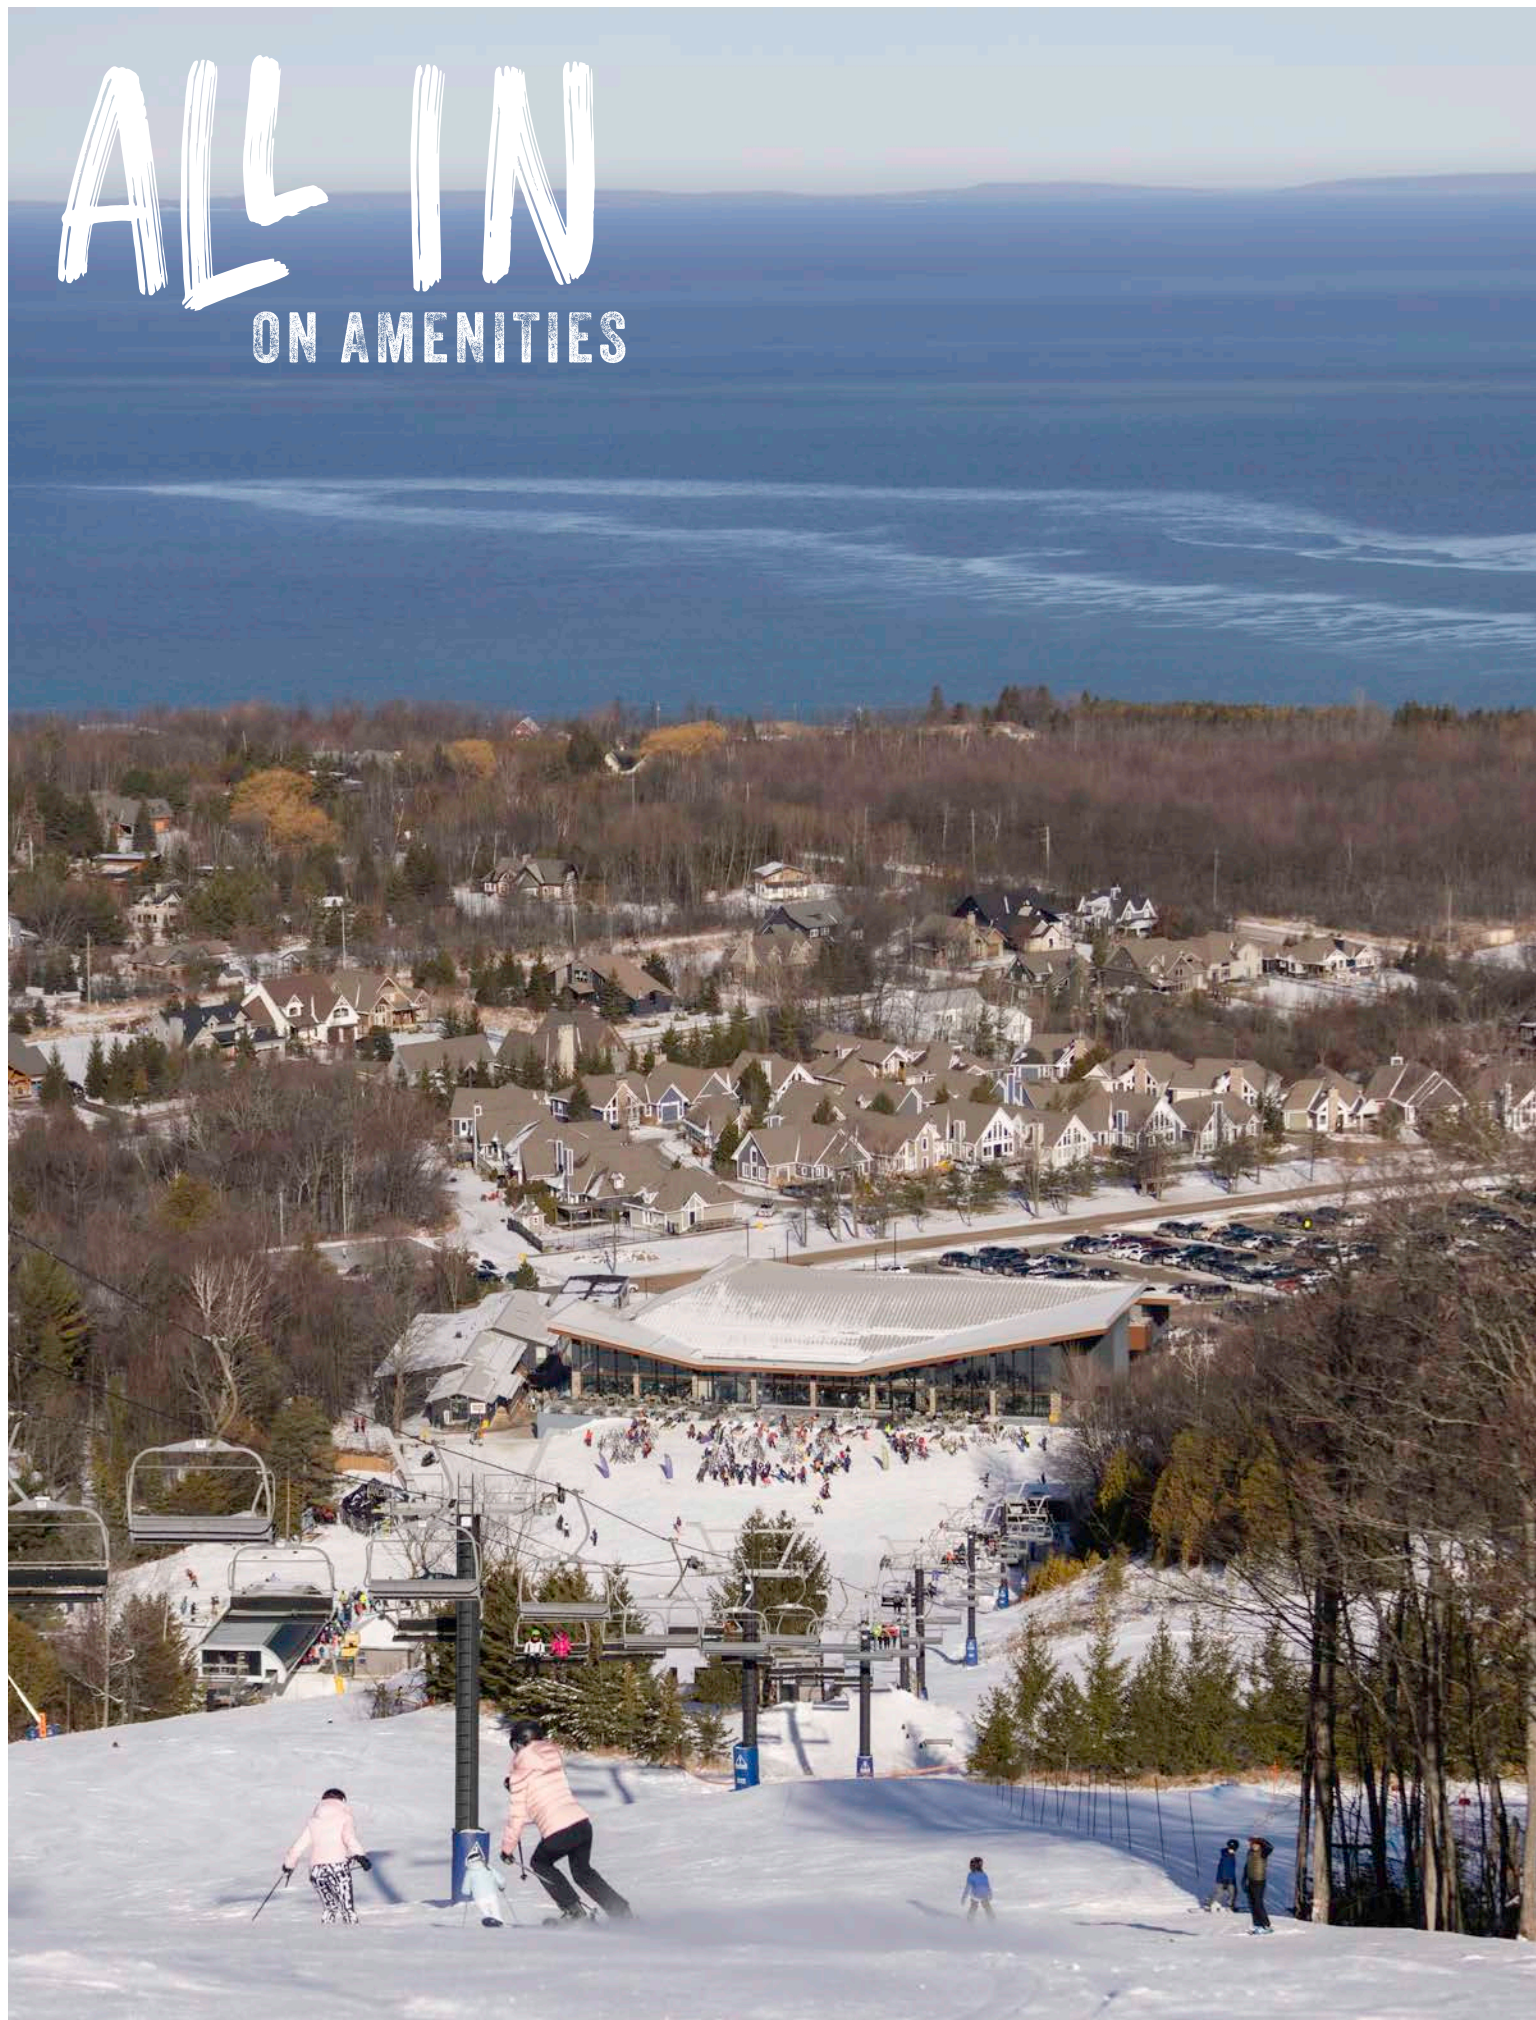

ON SOCIALS

When the lifts close, the fun continues with Alpine's vibrant social events. From adult and youth après ski to night events and the coveted signature Ladies' and Men's Days, there is something for every member to enjoy. Alpine's robust event calendar includes entertainment for all ages; adults can enjoy live music, sipping on a beverage at the Fireside Bar while children are entertained by a live performer or immersed outdoors.

These lively events are an integral part of Alpine's culture and a longstanding tradition of private club life.

THE FACILITIES

Alpine's contemporary 45,000 sq. ft. clubhouse boasts soaring ceilings and expansive internal spaces, offering sweeping views of both the Escarpment and Georgian Bay.

The clubhouse was designed to accommodate a range of events, serving both winter and green-season activities.

THE FACILITIES

Journey to the top of the South side and discover Alpine's Upper Chalet, the perfect escape to enjoy a warming break, unique culinary offerings, beer garden, and an unbeatable view spanning across Georgian Bay. On the North side you'll find a cozy warming hut, the ideal spot for a quick break between runs.

PRO SHOP

Conveniently located onsite, Squire John's provides members with equipment rentals and servicing, ensuring time on-hill is optimized.

FOOD & BEVERAGE

Alpine works alongside local, award-winning catering partner Men with Knives to provide a world-class food and beverage experience. From quick and delicious breakfast and lunch options, to an expansive array of beverage selections both local and imported and appetizing après eats, there is something for every taste bud.

CHILDCARE

Our Little Kids' Club keeps Alpine's youngest children engaged with caring childcare professionals, conveniently located in the main clubhouse. Season passes are available for members to drop off children with comfort and ease.
