Tucked in the heart of the Blue Mountains, Alpine Ski Club has been a beacon of community since its establishment in 1960. Founded by passionate families, the Club aimed to foster enduring relationships and create cherished memories for generations. This private ski and snowboard club has evolved to offer more than thrilling slopes, providing an extraordinary venue for weddings.

Alpine's contemporary clubhouse, adorned with natural elements of wood and stone, boasts a breathtaking backdrop of the Escarpment and Georgian Bay. The muted colours harmonize with the environment, seamlessly bringing the

outdoors in. The distinctive roofline and high ceilings create a striking architectural ambiance. With various spaces both indoors and outdoors, Alpine can host a beautiful wedding reception for up to 250 seated guests. Exclusive use of the building ensures that each wedding party has a private space, free from the intrusion of other events.

The journey within the wedding industry for Alpine Ski Club entered a new era with the inauguration of their modern clubhouse in 2016. Offering weddings in the green season became a natural progression, providing couples with an exquisite venue surrounded by nature's beauty.
